Giorgio Sans embodies Giorgio's elegance in new and unexpected directions, again designed for Chris Martinez of T, New York magazine Times Style Magazine. "Giorgio Sans is about a new style, a new vision, a new choice, a new sense of humor and all that," she says. "It could be related to something like art, service work, fashion, art! It could be related to anything, it could be related to something very specific. I do not know..." It does not matter. I think we can all agree that it's great. It's beautifully made and done. It's still Giorgio. He's as handsome as ever.
